Dear StanCity Movers,

You moved us a couple weeks ago from Montclair, NJ to Verona, NJ. My family and I had such a wonderful experience with your company. My two boys were fascinated by the guys who were doing the moving and to my surprise, the guys were very kid-friendly! They showed my kids the truck and let the kids play with bubble wrap!

We enjoyed meeting Andy and Robbin and were very happy with all the services they provided us. They packed all of our china, glasses, and pictures. Hopefully when we move to Denver for Steve's job in a year, StanCity can help us again...

Thank you,

Jeanne, Steve,
